

730 Series Rack Mount Power Supplies

The units above are examples of rack mount power supplies Interact Power provides. The 730 Series Rack Mount Power Supplies offers a line of equipment with great flexibility in both DC voltage and current available. The series converts AC to DC power. Several different power supplies can be in one enclosure, each with its own output. These units can provide all the basic power monitoring and control functions.

Many choices and options are available;

- Choice of different and multiple DC voltage output power
- Hardwire inputs, MS connector inputs, NEMA inputs, IEC inputs (contact factory)
- Test Points on Front Panel
- EMI Filter/transient protection, Remote Control
- Fan for air circulation within the enclosure
- Indicator ON/OFF lights, AMP meter, Volt meter
- Painted Front Panel

The 730 series Rack Mount Power Supplies will operate at either 120VAC or 230VAC single phase input (3-phase is available contact factory) in a 19" rack mount unit that is 3 "U" (5 1/4") high and 16" deep.

Model Selection Guide

Example Model Number	73502-XX001-015	73508-XX001-015	73532-XX001-015
Height x Width x Depth:	5.25" x 19" x 16"	5.25" x 19" x 16"	5.25" x 19" x 16"
Voltage Input (50-60Hz):	120VAC (L-N-G)	208VAC (L-L-G)	120/208VAC (L-L-L-N-G)
Current Input:	15Amps	15Amps	15Amps/ph
Current Input De-rated:	12Amps	12Amps	12Amps per phase
Output Voltage:	24VDC	24VDC	24VDC 3 circuits
Outlets:	6 cpc connectors	6 cpc connectors	18 cpc connectors
Outlet rating:	240VA @ 24VDC	240VA @ 24VDC	240VA @ 24VDC
Power Cord/Length (for rear panel):	Optional cable assembly available	Optional cable assembly available	Optional cable assembly available
Flanged Power Input Plug:	IEC320 C20	IEC320 C20	L21-20P
Front Panel Color	Gray # 26008	Gray # 26008	Gray # 26008

Standard Options Available:

Customer Private Label:	Yes	Yes	Yes
EMI Filter w/ transient protection:	Yes, contact factory	Yes, contact factory	Yes, contact factory
Remote Control :	Yes, contact factory	Yes, contact factory	Yes, contact factory
Painted Front Panel:			
Interact Power color Dark Gray #26008	Std	Std	Std
or Customer Specified Color	Yes	Yes	Yes
Different & multi-voltages and current ratings:	Yes, contact factory	Yes, contact factory	Yes, contact factory

* Please contact the factory for available options and part numbers.
